

Information on making payments

If you need a return receipt, please enclose a self-addressed stamped envelope with your renewal. Use a Cheque, Money Order or Credit Card only please. Cash should not be sent by Post. Credit Cards (Mastercard or Visa only) can be used and numbers can be sent by e-mail (although note that this is a non-secure link - so consider splitting your Credit Card number over two e-mails). When renewing your membership, please include your membership number (on the mailing label on your last *SuperTime* posting) if at all possible to positively identify your membership.

DONATIONS may be added to your membership fees, and are appreciated.
